

## **HUD 2011 Partners' Planning Meeting**

**Tuesday, September 13, 2011**

**9:00 a.m. to 3:00 p.m.**

### ***The Changing Landscape: Partnering to Create Sustainable Communities***

HUD's Atlanta Regional Office is reaching out to its partners to provide information on current HUD programs and initiatives. The meeting will summarize HUD's Fiscal Year 2012 and 2013 Agency Priority Goals while promoting partnerships in hopes of facilitating more collaboration toward achievement of mutual goals. We hope to bring collaboration out of the shadows and into the day-to-day business of HUD.

The meeting is intended to generate new ideas and initiatives and help set a tone in Georgia for a better way to address complex issues based on partnerships. It will also provide an opportunity for community leaders to hear from and express to HUD how the Department can assist in meeting local needs. Concurrent workshops will be held that examine and discuss the state of single family and specialized housing markets, stabilizing and sustaining communities, economic impact of HUD investments, and program integrity.
